

ABHIVYAKTI: AN ANNUAL PERIODICAL

SBSPM's Shree Bhimashankar B.Ed. College has a practice to run the periodical "Abhivyakti" which is published and printed in-house once in every year. The periodical cover the burning issues and promotes the viewpoints of the various authors on the several issues in and around the world. The periodical promote a distinct mode of compiling, blending, and negotiating knowledge from different places, people, and sources.

The "Abhivyakti", in Sanskrit means manifestation, exposition, revelation of something, and it literally means expression of ideas or feelings and showing of them through words, actions, or art. The theme of running this periodical is to encourage the creative thinking among the students and staff, disseminate the innovative ideas, sharing of the research and life's experiences etc. The various participant, writers and authors have open chance to opine on the several social, economic, political, environmental, technical or other issues. The authors are encouraged to opine, and express their views by writing an article, poem, or small posts in Hindi, English or Marathi.

The institute has awarded with the many prizes for the same at regional, district and university level for the various academic years. The "Abhivyakti", published and printed in the year 2016-17 were awarded in the academic year 2017-18 with the District Level prize at Second Rank. The theme of the issue was "Generic", and some of related articles published were "Youth: Struggle for Existence", "India of My Dream", "Interdisciplinary Research" etc.

The "Abhivyakti" published in 2017-18 was conferred with Second Rank at the Regional Level in Pune Rural category, in the academic year 2018-19. It was a special periodical with the theme "Social Media". The various authors and writers opined on the social media and its uses with

boon and bane. The articles were “Social Media and Society”, “Impact of Social Media on Society”, “Teachers, Students and Social Media”, “Facebook Freedom- A Tragedy” etc.

The “Abhivyakti”, which was published in 2018-19, was bestowed with Second Rank in 2019-20 at University Level. This special issue was based on the “Gender Equality”, which reflected on the several issues of the equality, reality of the gender equality, respect or equality etc. The authors also opined on female feticide, freedom of women, role of teachers in gender equality and rights of women etc.

The recently published “Abhivyakti” is in process of the assessment at the University Level. It is based on the “Education: Then and Now”. The articles covered the education since independence to till date. The authors have written on “Education in Pre-Independence Period”, The Changing Nature of Education and its adaptability”, Mother-tongue and School Life” “National Education Policy 2020”, “Multidisciplinary and Holistic Education” and “Virtual Open Schools” etc. In this the authors and writers have written and opined on the issues, challenges and opportunities in the field and the further scope for the development.

The institute every year takes great efforts to publish the annual periodical “Abhivyakti”. The students and staff are encouraged to write and publish their views on the several issues around them. This helps in creating awareness, social responsiveness, inclusivity, openness, alertness, rational thinking, etc. The institute always works hard to fetch the awards for the same at the University, District or Regional Level.
